in association with

Paphos Nautical Club

Geroskipou Summer Regatta 2011

Sponsored by Hermes Airports

Saturday and Sunday 2nd and 3rd July 2011

A cordial invitation is extended to all members of Cyprus sailing clubs to participate in the first Geroskipou Summer Regatta on Saturday and Sunday 2nd and 3rd July 2011. The Regatta, sanctioned by the Cyprus Sailing Federation, will be organized by Paphos International Sailing Club (PISC) in association with Paphos Nautical Club (PNC). Hermes Airports Ltd are principal sponsors, and the event has the full support of Geroskipou Municipality. The formal Notice of Race and entry forms will be available to download from the PISC website (www.pisc.org.cy) from 31st March.

The race schedule will include series for Optimist, Laser, 470, Laser 2000, and other dinghy classes subject to a minimum of 5 entries in each class. If there are fewer than 5 entries for a class, competitors will automatically be entered in a General Handicap series. Racing will take place from Geroskipou Tourist Beach to the south of Paphos.

A practice race will be run on the Friday afternoon at 1400; visitors are welcome to join us.

Competitors may register in advance by mail, or email, or on the day of the races up to 30 minutes before the race start time.

Prizes will be awarded to 1st to 3rd placed helms and crews in each class (subject to a minimum of 7 entries). If there are fewer than 7 entries in a class, prizes will be awarded for 1st and 2nd places.

Overnight accommodation will be available with PISC club members on a first-come-first-served basis. Favourable rates at a nearby hotel are being negotiated. Camping may also be possible.

The social programme will include a welcome dinner on the Friday evening, a beach barbecue on the Saturday, and a prizegiving party after the last day's racing.

General enquires about the regatta should be directed by email to rick.willey@cytanet.com.cy or phone 26 65 26 24.
